## 1. Weekly Training Fees

Training fees are calculated by the hours of training of each individual gymnast and their agreed attendance hours each day/week. Each family will be invoiced. The fees are on a sliding scale (See Below) The entire term must be paid for in advance. If you train more than one day per week, you will receive an individual invoice for each individual day of training.

All fees must be paid in advance and also in advance of any holiday training as offered. New gymnasts starting part way through the term are charged on a pro rata basis. Each term has a different number of weeks and will be invoiced accordingly. The Term Dates are on the website:

Any account enquiries may be directed to the office administration by emailing [admin@artistryagg.com](mailto:admin@artistryagg.com)*

It is expected gymnasts prioritise training over small social events however, when gymnasts must miss training for valid reasons such as a wedding/funeral, injury/illness, makeup session are offered on any other available days and on one additional Sunday session per term. Please also see below further information on “makeup sessions”.

## 2. Australian Aesthetic Group Gymnastics Federation - Registration Fee for All Comp Gymnasts

Artistry AGG is registered and affiliated with the Australian Aesthetic Group Gymnastics Federation (AAGGF) which is further governed by the International Federation of Aesthetic Group Gymnastics (IFAGG). All competing gymnasts, coaches and judges must be registered members of the above-mentioned organisation. An annual registration fee is required for all Artistry AGG members participating in AGG Gymnastics Competitions. This registration fee is set by AAGGF every year and is paid on behalf of the gymnast when required by AAGGF. It is a non-refundable fee, however, it is transferrable if the gymnast moves to another AGG Club.

***NB: At this stage, the AAGGF has not yet set the 2025 registration fee but as a guide, the fee was \$80 in 2023. Artistry AGG will not collect the fee until asked to do so by the AAGGF.***

## 3. Yearly Admin Fee - \$55(Covers Equipment/Maintenance/Insurance/Admin)

An annual Club membership fee of **\$55** is payable upon joining Artistry AGG Gymnastics Club and yearly thereafter. This fee contributes to the administration costs to operate the Gymnastics program as well as all administration expenses, First-Aid supplies including icepacks, Band-Aids, tissues, cleanliness, hand apparatus and equipment. It also contributes to the overall Public Liability Insurance Cover.

## 4. Competitions and Travel Levy

Gymnasts who are invited to participate in competitions are required to pay a competition fee when they participate in a competition. This is to cover the costs of their entry fee (which is passed on to the organising Club) and accompanying coach’s time.

Gymnasts will be invited to compete in certain events as per the competition calendar. TBC.

You will be required to pay the fees approximately 6 weeks prior to the event and they must be paid in advance of any competition or gymnasts will not be allowed to compete. The office administration will send you a link for booking and payment. Entry into competitions is strictly by invitation only and we encourage all to strive towards inclusion in these exciting events.

Should a gymnast be sick or injured and unable to compete they may be entitled to a refund at the discretion of the Coach and the hosting Club. Medical certificate is required.

***Please note that to represent the club at any competitions, club training fees must be completely up to date.***

Some competitive gymnasts will be invited to compete interstate and overseas.

A Travel Levy will apply to cover all staff/coach travel costs associated with these competitions. This amount is divided by the number of gymnasts on the competing team. Travelling for competitions is not compulsory however if a gymnast is chosen and agrees to compete nationally or internationally, the commitment is by way of a firm agreement and once agreed gymnast cannot withdraw. Strict rules apply to inclusion in these prestigious events and all rules must be adhered to whilst representing Artistry AGG. These rules will be advised closer to the competitions.

## **5. Uniform Fees - Training & Competition**

The “all black with a pop of blue” Training Uniform is to be provided by the gymnast.

Some Artistry AGG merchandise/uniform items can be purchased from the Club, like T-Shirts, leotards etc.

It is compulsory for all competing gymnasts to buy/hire and wear the agreed competition leotard and tracksuit when requested to do so. The coach will advise the cost at the time. Payment must be made prior to collection. These competition leotards are precious and beautiful and need to be kept in plastic suit bags for protection.

The gymnast will need to supply their own makeup and hair products (unless you would like to pay the Makeup Levy – See Below).

Gymnasts competing in competition teams will be provided with a Club tracksuit top for competition. Order forms will be provided.

## **6. Extra Training Fees & Specialist Workshops**

Gymnasts may be offered extra training sessions before a competition in addition to their regular training times. Extra hours will be charged separately from a gymnast’s normal session rate. These training sessions can land on public holidays and Sundays and competing gymnasts should make themselves available and attend. Failure to do so may deem the gymnast not ready to compete and may be asked to “wait out” the competition. Extra training is charged at the gymnasts normal weekly training rate.

Specialist training opportunities and workshops are offered from time to time and are charged in accordance with the particular Coach, activity or workshop genre. They include ballroom, Pilates, Progressing Ballet Technique, Rhythmic Gymnastics and more.

## **7. School Holiday Training**

Holiday training is offered and highly encouraged for all gymnasts and the general community. The fee for the holiday training will be booked and billed through the “trybooking” website and the information/link sent out before the holidays commence. Holiday training fees are separate to normal term training fees.

## **8. Public Holidays**

For most groups, there is no training on Queensland and Australian Public Holidays. It is expected the gymnasts train on a different day of that week or find a “makeup” session.

At times competing gymnasts may be asked to train on public holidays leading up to a competition.

There will also be an \$125 fee for the actual display day that covers rehearsals, set up, pack down, additional staff, some music editing, lighting and awards etc.

## **10. Dance Training**

## 18. Gymnasts Extended Absences

School Camps, Birthday Parties and social events do not make a gymnast eligible for any refund.

Makeup sessions are offered on an alternative day.

Gymnasts who have extended absences (overseas holiday or any other reason) are not entitled to a fee reduction unless pre-approved by the Club Director.

Injury and illness with a doctor's certificate provided will allow for a 50% credit applied for use on future term fees.

No refund or discount on fees is given for gymnasts away on gymnastics competition trips with the Club, as Coaching continues throughout the travel period. (Recreational classes continue on allocated days even when competing gymnasts are away)

## 19. Injury or Illness

Gymnasts who miss a training session due to sickness or injury are not entitled to a fee reduction.

Makeup Training is offered. Gymnasts may be eligible for a credit of 50% of fees in the case of severe injury or illness. The absence must be for a period of three or more consecutive weeks.

A medical certificate covering the whole period must be provided.

## 21. Make-up classes

If you have to miss a training session for important occasions (such as wedding) or for injury/medical reasons, you may attend on an alternative offered weekday. Please advise at the time. Every term, "Make-up" classes are offered on a Sunday later in the term for gymnasts to "catch up" on missed training. If the class has been cancelled by the Church Hall, club or coach, then a "makeup" session will be offered on a special Sunday session later in the term. Any class cancelled by the Club or coach will need to be made up by the end of the term by agreement with the coach. No refund is given for a missed class unless a Doctors certificate stating serious illness or injury is sighted by the Head Coach at which 50% may be credited to your account for the time off due to illness/injury. It is expected parents make the gymnast available for makeup training. It is the parent's responsibility to ensure the hours trained equate to the hour's invoices and subsequently paid in each term. "Makeup" training is never rolled over into the following term. It must be attended within the term. Hours reset at the commencement of each term. Please note kid's birthday parties, tardiness, family functions, other frivolous commitments are not applicable too makeup training. All "makeup "training needs to be requested and approved by the head coach.

A notification about cancelled training will be posted on the Facebook page of the club and in the private group. (Please ensure you request to become a member of the Facebook group – See Below) Any classes cancelled for this reason can be replaced with another class before the end of that term. No refund will be provided for missed class due to high temperature.
